

The field address is **1600 Constitution Rd. Atlanta, GA 30316**. The flying field is located in Southeast Atlanta just inside the perimeter (I-285). Take I-285 to Bouldercrest Road (exit 51). Go North and follow Bouldercrest as it bends left. Bouldercrest then bears right at the light, but go straight onto Constitution Road. Pass by the fire station on your right. The field is about 1/4 mile past the fire station on the right. Look for "Atlanta R/C Club" sign on one of the the phone poles. Go through the orange pipe gate, if open. Use caution when entering and exiting the field, as the traffic on Constitution Road is quite fast.
